Class Reps will be the main conduit for all communication relating to social events and other school queries. The Parents' Board (accessed through the Parents' Portal on the Beeston website) will also be regularly updated and we encourage you to visit this. And of course, please do not hesitate to contact your Class Rep for anything you might need. FoBs depends on the enthusiasm, commitment and initiative of parents (mothers and fathers too!) and we would like as many of you as possible to be involved whether by attending events or volunteering to help make events a success. You do not have to be on the Committee to get involved. Speak with your Class rep if you would like to know more.
