

Easyfundraising – supporting the school’s chosen charities

FoBs supports the School’s commitment to the local community and charitable organisations. Any fundraising this year will go towards the School’s chosen charities: **East Anglia’s Children’s Hospices (The Nook) and Street Child, founded by Old Beestonian Tom Dannatt.**

Easyfundraising is an easy way to support our fundraising efforts. There are over 2,700 retailers registered with the site, including Amazon, Boden, John Lewis, eBay, Sainsbury’s and Tesco who will donate a percentage of what you spend to Beeston to say thank you for shopping with them. So far, we have raised nearly £7,000 through Easyfundraising just by shopping!

Joining easyfundraising is simple and doesn’t cost you a penny nor does the site store any of your financial details.

Step 1: log onto www.easyfundraising.org.uk or download the easyfundraising app.

Step 2: register your email address with easyfundraising and choose Beeston Hall School as your cause.

Step 3: each time you shop online thereafter go through the easyfundraising website or app to the retailer of your choice and go shopping as usual. Remember it’s not just ordinary retailers but train /airline tickets, theatre tickets, etc.

If you would like help getting registered with easyfundraising or if you have any questions please contact your Class Rep who’ll be happy to help.

Thank you for your support.
